Do organisations actually sit where they think they do?

Best Practice

- Proactive & reactive
- Have a strong calendar
- Be accessible – what are your touchpoints?
- Systematic power mapping
- Choose the right partners
- Measure your impact

Next 5 years

- End of 'pray the gay away' culture
- End of silence
- Less forced to remain closeted, particularly in centre right religious circles
- Alternative family structures and relationships discussed with respect at Jewish day schools
