

Vacancies:

Passionate Trustees to join the KeshetUK Board

KeshetUK is looking to appoint experienced, passionate, and committed trustees to work alongside our existing [trustees](#) supporting KeshetUK to increase our impact and sustainability.

KeshetUK – our background and impact

KeshetUK's **vision** is of a world where no one is forced to choose between their LGBT+ and Jewish identity. Our **mission** is to ensure that Jewish LGBT+ people and their families are included throughout Jewish life in the UK. Our theory of change talks about the need for freedom of expression for, leadership by, and the visibility of LGBT+ people in Jewish communities to create this.

Since 2013 we have engaged schools, youth and young adult organisations, synagogues and wider community organisations about the importance of LGBT+ inclusion. We then enable them to take practical steps to achieve it through the provision of educational training and resources; working in partnership to develop better practice and more inclusive policies; and developing and maintaining a network of volunteers and educators.

From September 2021 to August 2022 KeshetUK:

- Ran workshops for **3,300 students in Jewish secondary schools**
- Worked with **4 secondary schools and 2 primary schools** providing tailored training and/or curriculum support to leaders and teaching staff
- Worked with **14 Youth and Young Adult organisations**
- And worked with **10 synagogues and community organisations**

To find out more about what we have done in previous years, please see our [Annual Review](#).

What is involved?

The board meets every eight to twelve weeks. We usually hold meetings on Zoom, but may sometimes meet in North or Central London in the early weekday evenings or Sundays.

Trustees are appointed to a three-year term, which can be renewed once. Newly-appointed Trustees will attend a KeshetUK volunteer induction within six months of their appointment. We expect that our Trustees will commit around 4 hours each month to KeshetUK and for all of our trustees to support fundraising for the organisation.

For more information on our current trustees, staff and volunteers, [please click here](#).

Trustee roles: What are we looking for?

There are many reasons why you might want to become a KeshetUK trustee. They may be practical skills that you can bring, or perhaps you are really passionate about LGBT+ inclusion in the Jewish community; either way, we are looking for people who believe in creating real impact in our communities and who will support KeshetUK to achieve that.

KeshetUK is committed to create a diverse board. We are open to appointing people with a range of experiences and backgrounds, who will support us with their knowledge, expertise, skills, and contacts. We wish to recruit people with previous **experience of being a charity trustee** and who are **familiar with charities governance**, able to support policy development and regulatory compliance alongside organisational risk management. We are also looking to recruit our **permanent Chair** and **Vice Chair of the Board**. Understanding of the context of KeshetUK's work – Jewish communities and LGBT+ communities – is an advantage but not essential. Areas where we now particularly require expertise include:

- **Experience of individual and trust fundraising**, and a willingness to commit time and energy to help ensure that planned income links to our strategic ambition. We have grown our income from £26.5k in 2016 to £145k in 2022 and have a goal to increase to £180K in 2023 to sustain and increase our organisational commitments and meet the needs of our communities.
- **Sound knowledge of finance and budgeting**, able to support our executive team and the board in ensuring that spend matches our strategic plans, ensuring external regulations and legal requirements are met.
- **Strong social media/marketing skills**, to help develop our marketing and communications strategy and help us share who we are and what we do with our beneficiaries, and current and future supporters.

Application process

If you are interested in shaping the future of KeshetUK, you are welcome to have an informal chat with our Interim Chair, Robin Moss: robin@keshetuk.org – or please do email our Executive Director, Dalia Fleming: dalia@keshetuk.org.

The application process requires you to submit your CV and a short cover letter (up to 500 words) setting out why you would like to be involved in KeshetUK and what skills, experience and commitment you would like to bring to the organisation. Recruitment will be on a rolling basis and when we receive this, one of our trustees will be in touch with you to discuss your application.

Please apply using the form on our website
